

Severtson Universal Projector Mount

Mounting hardware included for most projectors. Screw sizes M3, M4, M5, and M6. LPMOUNT holds the projector 4 1/2" from the ceiling. SWMOUNT has an adjustable extension to hold the projector 17" to 24" from the ceiling. LWMOUNT has an adjustable extension to hold the projector 28" to 49" from the ceiling. All projector ceiling mounts are very universal mounts with tilt, swivel, slide.

Small cable path on adjustable mounts, and great for white ceilings.

LPMOUNT	4 1/2"
SWMOUNT	17" to 24"
LWMOUNT	28" to 49"

Universal White Projector Mounts

Mounting hardware included for most projectors. Screw sizes M3, M4, M5, and M6. SLPMNT holds the projector 4 1/2" from the ceiling. SEMNT holds the projector 21" from the ceiling. Both projector ceiling mounts are very universal mounts with tilt, swivel, slide.

Quick assembly.

SLPMNT	4 1/2"
SEMNT	21"

Universal Silver Projector Mounts

Mounting hardware included for most projectors. Screw sizes M3, M4, M5, and M6. OM1P holds the projector 9" from the ceiling. OM2P has an adjustable extension to hold the projector 18" to about 36" from the ceiling. Both projector ceiling mounts are very universal mounts with tilt, swivel, slide, and a large cable path.

Large cable path great for home theaters and a very clean install.

OM1P	4 1/2"
OM2P	21"
